Absolutely I disagree. with any evidentiary hearing being conducted. I will not participate in any evidentiary hearing as indicated in my motion to recall the remand order that I filed before the 8th circuit court on February 26, 2019. **Evidentiary hearings are kangaroo courts.** Especially before judges like Judge Viken who thinks nothing about engaging in multiple acts of misprision of felonies committed on a regular basis by attorneys appearing before his bar. I expect full blown criminal procedures with a jury trial to be employed like I demanded in my motion to recall the mandate in the appeal. I also expect that during the criminal prosecution, defense counsel and their clients be indicted for more than 14 acts of wire fraud committed during the prosecution of the underlying case. I WILL NOT PARTICIPATE IN ANY KANGAROO COURT PROCEEDING ESPECIALLY BEFORE JUDGE VIKEN WHO IN MY OPINION BELONGS IN JAIL

Good afternoon all,

One of the clerks informed me Ms. Telford has communicated with her over email at the address [hollilundahl@gmail.com](mailto:hollilundahl@gmail.com). I've copied this address here to ensure Ms. Telford receives these emails.

Ms. Telford, please let us know if you disagree with the consensus that the court should schedule an evidentiary hearing for at least two hours.

Probably two hours will do, but that may depend in if and how many witnesses get called.

Good morning all,

As you know, the Eighth Circuit remanded this case for Judge Viken to conduct an evidentiary hearing to determine the date Ms. Telford's notice of appeal was filed. Docket 140. Please let me know your estimates of how long the court should set aside for the hearing. Once we have an idea of how long the hearing will take, I will be back in touch with you with possible hearing dates.

Thanks for your professional attention to this matter.
